- Ideal for creating customized storage for essential products
- Spray bottle shelf attachment holds 4 bottles up to 3.5" diameter
- Max of 4 attachments per door (45/90 gal); 2 per door (30 gal)
- Easy to install or move
- Use ONLY on Utili-Guard+ flammable cabinets

## Description

---

Keep frequently used bottles accessible and organized with the Spray Bottle Attachment for Utili-Guard+™ flammable cabinets. This sturdy steel door accessory is designed specifically for Utili-Guard+™ safety cabinets and holds up to four standard spray bottles (3.5" inner diameter each). Measuring 3.4" high x 17.7" wide x 3.9" deep and weighing just 2.1 lbs, it attaches securely to your cabinet's pre-installed door brackets for fast installation and effortless reconfiguration.

Spray Bottle Attachments for Utili-Guard+™ flammable storage cabinets are fully interchangeable and can be mixed and matched with other Utili-Guard+™ door accessories—including aerosol can, caulk tube, and tray attachments. Expand beyond the one included spray bottle holder in your base cabinet by adding more, so you can maximize workflow and shelf space while minimizing clutter.

Attachment and Installation Guidelines:

- [30-gallon Utili-Guard+™ flammable cabinets](#): maximum 2 attachments per door, 17 lbs per door
- [45-gallon and 90-gallon Utili-Guard+™ flammable cabinets](#): maximum 4 attachments per door, 35 lbs per door
- For top attachment use, maintain at least 1.5" clearance from the top edge of the door
- Ensure both brackets are aligned and fully engaged when installing
- If storing safety cans inside, position any funnels toward the rear or side to avoid interference with door accessories

The Spray Bottle Attachment for Utili-Guard+™ flammable safety cabinets lets you customize your storage, adapt to changing needs, and keep essentials right at your fingertips for a safer, more efficient workspace.

Need door attachments for the Utili-Guard Cabinet to customize your workflow? Justrite supplies additional aerosol can attachments, caulk tube attachments, and tray attachments. Other accessories for this line include the [Tower Leg Kit](#) and [Skid Leg Kit](#).

**Note: Door attachments are for usage with the Utili-Guard+ flammable cabinets ONLY.** Other standard flammable cabinet models do not have the inner space to accommodate door shelves.
