their safety is essential.

Products made to work hard—and built to last.

Type I Safety Cans

Protect workers and reduce fire risks when transferring, storing and dispensing flammable liquids

- Self-closing, leakproof lid protects vapors from escaping and guards against spills
- Positive-pressure relief cap automatically vents can to guard against rupture or explosion
- Stainless steel flame arrester prevents flashback ignition
- 100% leakproof construction with 10 year limited warranty
- Large label ID zone provides writing space to identify contents (on swinging-handle cans only)
- 24-gauge galvanized steel with tough, chemical-resistant powder-coat finish stands up to rigorous use
- Bottom lip provides grip to support pouring and resists accidental punctures when placed on uneven surfaces
- Extra capacity allows two-cycle engine oil or other additives
- FM approved; UL/ULC listed; accepted under CARB; meet OSHA and NFPA requirements

Color-Coded Safety Cans
